The screenshot shows a Windows-style help application window titled "Help and Support Center". The title bar includes standard icons for Back, Forward, Home, Index, and Favorites. The main area is titled "Index" and contains a search field with the placeholder "Type in the keyword to find:". Below the search field is a list of search results for the keyword "CDs". The results are as follows:

- CDs
- overview
- adjusting sound
- automatically playing multimedia content
- CD burning
- copying
- copying to CDs
- ejecting automatically
- erasing CDs
- installing applications from CD
- making CDs
- playing
- playing CDs
- temporary storage area
- volume control
- what's on your CD
- what's on your computer
- writable CDs, defined
- CDs, audio
- adjusting sound
- copying
- playing
- CDs, CD drives, and CD players
- burning CDs

A vertical scroll bar is visible on the right side of the results list. At the bottom right of the main window is a "Display" button.
